

# Fluted Core Panels w/ FRP

**WATERPROOF, DURABLE & EASY TO MAINTAIN**

Our Fluted Core panels incorporate various laminates to create a solid, durable panel for finishing spaces in one step. Ideal for new construction, they install directly to studs for fast, cost-effective one-step installation. These panels offer an attractive, impact-resistant finish, are completely waterproof, resist mold, mildew, rot, stains, odors, and chemicals, and are easy to clean with steam, high-pressure sprayers, or soap and water.

- **WATERPROOF**
- **DURABLE**
- **EASY MAINTENANCE**
- **COST-EFFECTIVE INSTALLATION**
- **VERSATILE**
- **CUSTOMIZABLE**
- **HYGIENIC**
- **LIGHTWEIGHT**
- **LONG-LASTING**
- **IMPACT RESISTANT**

## SUGGESTED APPLICATIONS & USES

**Agriculture:** Utilized for wall installations, delivering robust performance while resisting stains and odors.

**Animal Kennels:** Perfect for wall surfaces, offering long-lasting, hygienic, and easy-to-maintain finishes.

**Water Treatment Plants:** Ideal for wall and ceiling applications, providing excellent water resistance and longevity.

**Meat Packing Facilities:** Well-suited for partitions and wall panels, ensuring protection against moisture and physical damage.

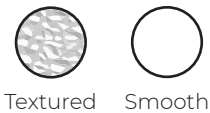

**Storage Rooms:** Used in industrial storage areas, ensuring a tough, low-maintenance solution resistant to chemicals and heavy impacts.
